DEDICATION

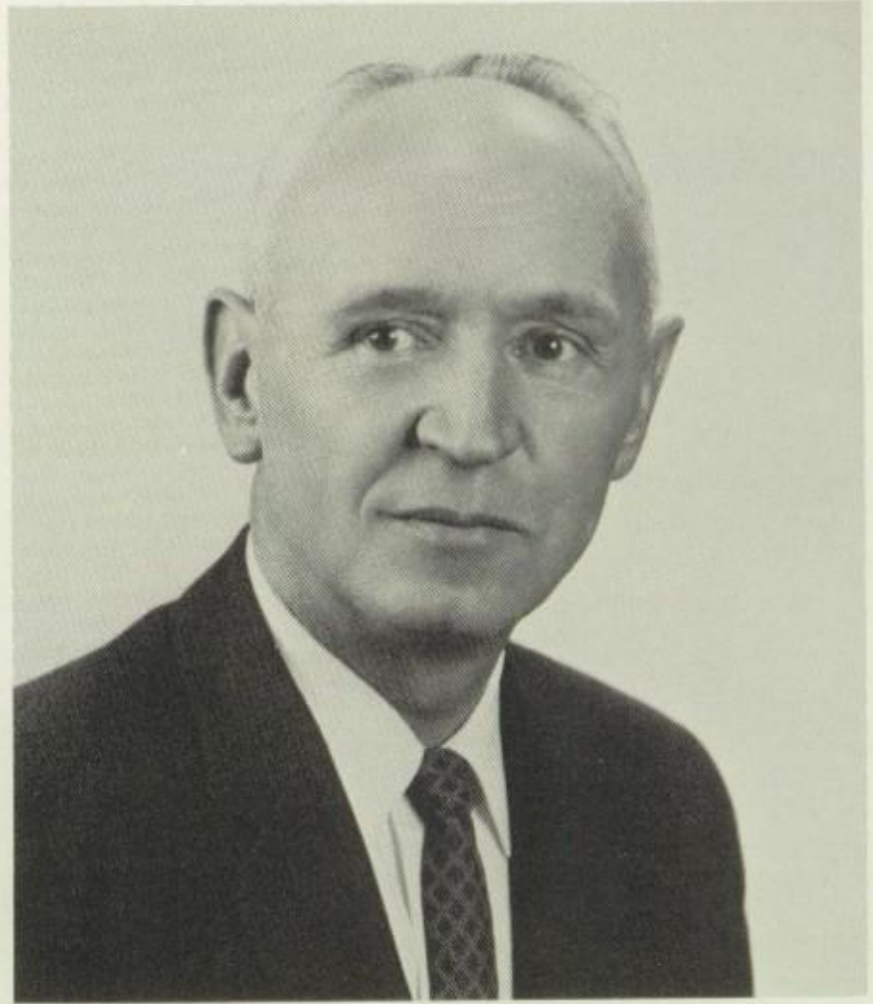

In deep appreciation for his rich encouragement to all students, for his everlasting patience and ardent assistance in community affairs, for his integrity, humility, and continuous devotion to the betterment of the school and community, we, the 1965 annual staff, dedicate the EAGLE to Mr. C. R. Wright.

PRINCIPAL'S MESSAGE

Governor Dan K. Moore at a meeting in Winston-Salem on November 14, 1964, had this to say about education:

"It is the supreme issue facing us today--the key to everything that North Carolina can be and should be in the days ahead. A vast economic, social, and cultural potential exists in this State today. We have hardly begun to tap this potential. And we will not truly begin until we have developed as fully as possible, our greatest potential--the knowledge and skills of our people. There is only one way we can do this--through education."

To the students of West Yadkin High School I would charge you to ever keep the above words of Governor Moore clearly in mind, and it is my earnest desire that you will diligently strive to fully develop the potential God has given you by constantly improving your education.
